To Whom It May Concern:

RB Garza with Bless Oilfield Services has performed pipe inspection and pipe repair work for Tex-Isle Supply Company since 2006. He has completed numerous jobs for us and his competitive rates and superior customer service have saved us a considerable amount of money and time. In addition, RB has represented our Company as a third party consultant on pipe claims for imported pipe. He has proved to be extraordinarily knowledgeable and helpful.

I have been involved in the purchase and sale of oil country tubular goods and line pipe for over 30 years and RB stands out as one of the best at what he does. His dedication to his job is second to none.

RB's commitment and his willingness to work extra to get the job done right and on time has truly been an added value to our company.

I would highly recommend RB and Bless Oilfield Services to anyone needing pipe inspection or pipe repair and maintenance work done.

Jim Meade
VICE PRESIDENT
